RE: Knapheide Manufacturing Company Closure Plan  
Facility Location: West Quincy, Missouri

Dear Mr. Korb:

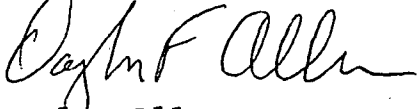

Today I spoke with Ms. Sandra Oberkfell, of Rudnick & Wolfe. Ms. Oberkfell requested an extension in the submission of the closure certification report, prepared by Schreiber, Grana, and Yonley. The report is due to the Missouri Department of Natural Resources (MDNR) on July 24, 1995.

In consideration of allowing Ms. Oberkfell the opportunity to review the report, the MDNR is granting the extension. The revised due date for submission of the report is August 2, 1995.

If you have any questions concerning this, please do not hesitate to contact me at (314) 751-3176.

Sincerely,
